RE: \$1,000 contribution to the Blackcat All-Sports Booster Club

Dear Booster Club Board and Bay City Blackcats families,

Please accept the enclosed check for \$1,000, made out to the Bay City Blackcats All-Sports Booster Club. Use it wherever it does the most good — uniforms, gear, travel, banquets, or scholarships for graduating seniors. You all know the needs better than we do.

Barrio Energy is a Houston-based company that develops and operates large-load energy infrastructure across Texas, including a site we've nicknamed our "Blackcat" property in the area. We benefit every day from the people who live and raise families in Matagorda County, and we'd like to put something back into the community that hosts us — starting with the kids.

We're behind this club specifically because of its breadth. The All-Sports Booster Club supports every Blackcat program — football, basketball, baseball, volleyball, cross country, track, soccer, tennis, golf, swimming, powerlifting — boys and girls alike. A kid who finds their footing in a smaller, less-funded sport gets the same shot at gear, travel, and recognition as a starting varsity quarterback. And booster clubs like yours are often where a graduating senior picks up their first scholarship check.

We also like that this is parent- and community-run — every dollar goes through volunteers who know these students by name. If there's ever anything we can do beyond a check, please reach out. Go Blackcats.

Sincerely,

Ivan Pinney
